Dear Rebuilder's

Looks like we'll have a bit more work to do. The fires that has ravaged through our counties has been quite unpredictable and for those of you who have been directly affected, or know of others who have been affected, we would like to extend our sincere condolences for your loss.

As voluntary architects and designers we have the opportunity to use your our skills and assets to come together and help Rebuild San Diego. If any of you are interested in seeking out volunteer opportunities, you can get in contact with us by sending an email to rebuildsandiego@gmail.com. From there, we will round up folks, set up a meeting and see how we can contribute to the fire relief efforts. I'm sure ideas and stories will be coming from all angles. If you would like to get in contact with us directly, please call at (m)619.985.9545 or (h)619.756.6142.

We will be hosting our next meeting on:

October 28th, 2007 (Sunday)
11:00 a.m.
Gelato Vera Cafe
Neighborhood: Mission Hills
3753 India Street
San Diego, CA 92103

Currently we are in coordination efforts with Architecture for Humanity and the AFH Chapter in Los Angeles. We thank them all for their support. We hope to see you this coming Sunday!
